27th June 2016

Dear LCF member

Will you invest in our future?

Our vision is to equip you, and every LCF member, to have confidence in the gospel and to live out and share the good news of Jesus Christ in the legal profession. Thank you for your continued generous support in this.

We have invested in three new and bold initiatives over this past year. You can read below the impact they have had, for which we give thanks to the Lord. But to sustain the ongoing ministry and the growing LCF team we do need to raise an extra £50,000 for the next year and beyond, over and above the current level of giving. **Can you help by committing to invest in the LCF regularly each month?**

The new initiatives we have been developing recently include:

- **“Essential Truths”**, an annual series of eight seminars, exploring key biblical principles essential to living for Jesus in the legal world. Through this we have seen a new cohort of young lawyers and students being established, alongside the creation of up to date video resources available for all on our website. Widely appreciated by many, one of those who has benefitted, Pete, says: *“These have been invaluable times offering real biblical wisdom on pertinent issues for Christian lawyers. Through the great diversity of speakers, I've had my convictions reinforced and refined, equipping me for life in the workplace following Jesus.”*
- **“Speak Up”** will be published as a booklet and online, in partnership with the Evangelical Alliance. This resource is for both us and the wider church to gain a better understanding of the law on evangelism and bring confidence to our gospel witness. One endorsement from a church leader, Rev'd William Taylor, sums up many comments received: *“This excellent, carefully researched, factual, and well documented booklet should give Christians great confidence that we not only can, but should speak out about our faith. I wholeheartedly recommend it.”*
- **“Word in Action”** is our new online communication which considers topical legal issues that matter to us and the church, from a Christian perspective, including the EU Referendum and Human Rights Act reform. It is fast becoming one of our most read communications, with members commenting on how helpful it has been.

These initiatives are only possible due to your generosity in both time and financial resources, as the LCF team work alongside the whole membership to facilitate each one to the highest standard.

We can achieve our £50,000 goal if a significant number of LCF members commit to investing monthly or annually by standing order. Even if you are already donating in this way please consider raising that giving by £15 or £25 per month, especially at this time of important growth and new opportunities. For example:

- £25 per month (or £300 per annum) means we can facilitate good e-communications with you.
- £40 per month (or £500 per annum) means we can make and produce four Essential Truths videos.
- £200 per month (or £2,400 per annum) enables young lawyers and students to get affordable top quality and relevant teaching through conferences tailor-made for them.

Please prayerfully consider what you can give to the annual appeal by filling in the enclosed card and returning it in the envelope provided. This will help us support your witness to Jesus Christ and equip the next generation of Christian lawyers.

Thank you so much!

Yours in Christ

Mark Barrell
Executive Director
